**Completion of this application constitutes a request by the State  
for funding under the Education Jobs Fund program.**

### **General Assurances**

The State educational agency (SEA) hereby assures that it will --

1. Comply with all applicable statutes, regulations, and its approved Education Jobs Fund (Ed Jobs) application and will use funds under the program in accordance with those statutes and regulations and its approved application;
2. Use fiscal control and fund accounting procedures that ensure proper disbursement of and accounting for funds under the Ed Jobs program, including procedures to

- ensure compliance with Federal cash management requirements;
3. Develop and implement a monitoring plan that will enable the State to ensure that its local educational agencies (LEAs) comply with all applicable programmatic and fiscal requirements;
  4. Comply with the reporting requirements (including subrecipient reporting requirements) of section 1512 of the American Recovery and Reinvestment Act of 2009 and such other reporting requirements as the Secretary may establish;
  5. Comply with all applicable assurances in OMB Standard Form 424B (Assurances for Non-Construction Programs); and
  6. Complete and submit Standard Form-L.L.L., "Disclosure Form to Report Lobbying," when required (34 C.F.R. Part 82, Appendix B); and require the full certification, as set forth in 34 C.F.R. Part 82, Appendix A, in the award documents for all subawards at all tiers. With respect to the certification regarding lobbying in Department Form 80-0013, no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making or renewal of Federal grants under this program.

#### **Allocation Assurances**

The SEA further assures that it will --

1. Reserve not more than 2 percent of its allocation for the administrative costs of carrying out its responsibilities with respect to Ed Jobs funds and use all remaining funds to make awards to LEAs for the support of elementary and secondary education in accordance with section 101(5) of Public Law No. 111-226 (Act);
2. Distribute funds to LEAs on the basis of *either* – (**check one of the boxes below**)
  - ☒ The State's primary elementary and secondary education funding formula(e) as identified in its application for funding under the SFSF program; *or*
  - ☐ The LEAs' relative shares of funds under Part A of Title I of the Elementary and Secondary Education Act of 1965 for the most recent fiscal year for which data are available.
3. Make awards to LEAs on a timely basis so that funds are available for use during the 2010-2011 school year; and
4. Not require an LEA that has previously submitted the required local application under the State Fiscal Stabilization Fund (SFSF) program to submit an application to

receive funding under the Ed Jobs program.

**Maintenance-of-Effort, Rainy-Day Fund, and Debt Obligation Assurances**

The SEA further assures that --

1. The State will comply with the maintenance-of-effort (MOE) requirements in section 101(10)(A) of the Act. To assist the U.S. Department of Education (Department) in its determination that the State is likely to meet these requirements, the SEA is providing, as part of this application – **(check one of the boxes below)**
  - ☒ The attached assurance, signed by the Governor, attesting that the State will comply with the MOE requirements in section 101(10)(A) of the Act;  
*or*
  - ☐ In lieu of an MOE assurance from the Governor, data and substantiating documentation as specified in the Department's September 2010 guidance entitled "State Maintenance-of-Effort Submission Under the Education Jobs Fund Program;"
2. It will provide such additional information that the Department may require to verify the State's compliance with the MOE requirements; and
3. The State will not use funds under the Ed Jobs program, directly or indirectly, to (a) establish, restore, or supplement a rainy-day fund; (b) supplant State funds in a manner that has the effect of establishing, restoring, or supplementing a rainy-day fund; (c) reduce or retire debt obligations incurred by the State; or (d) supplant State funds in a manner that has the effect of reducing or retiring debt obligations incurred by the State.
